Firm Profile

Epaminondou & Co Audit Services Limited is a medium sized firm based in Nicosia, Cyprus. One of the most popular countries in the world for establishing an International Business Company. The firm is specialised in providing Audit, Accounting and Assurance Services. It is the continuation and evolution of the private practice of one of the first Certified Accountants in Cyprus (No 73). The firm has two managing directors, both Fellow Chartered Certified Accountants (ACCA) and members of the Institute of Certified Public Accountants of Cyprus (ICPAC), qualified to practice audit. The firm is an approved ACCA employer and is eligible to train ACCA students towards obtaining the ACCA qualification, currently employing trainee accountants and growing and evolving steadily.

Why choose us: We are versatile and flexible. We provide personal service and act as your confidential business advisor. We follow up tax regulations and updates to be able to provide the competitive advantage. We invest in office automation and utilise software and technology, offering competitive pricing for high quality services, in a timely manner.

Our culture: We listen to our clients' needs. We meet up expectations because we evolve continuously, always striving to provide a pleasant working environment for our employees. We value team work and collaboration. We aim to provide affordable high quality services by professionalism and pleasant interaction with our clients.

Our Services

ACCOUNTING & BOOKKEEPING

- Doing proper accounting. Businesses need to keep proper books and records. Accounting skills are required to enter the books and provide meaningful and vital information to management.

TAX SERVICES

- Paying taxes was never easy. Filing tax returns is even harder sometimes. Our firm can help you comply with all the requirements for submitting and paying your taxes.
- Our expert team can also help you build the tax structure that satisfies your needs using the beneficial tax system for Cyprus and other international jurisdictions.
